### Effol med BronchoCare-Syrup – now in 500ml

#### To strengthen the respiratory tract

BronchoCare-Syrup soothes irritated respiratory tracts, promotes clearance of mucous and supports the body's own defence system for quicker recovery from respiratory problems. The rich, viscous syrup can be administered practically with fodder, because it will stick to it. The innovative bottle top means the syrup can be dosed automatically by turning the bottle upside down.

. Die 500ml Variante gibt es nun in der praktischen Pumpflasche.

Art. no.: 51 10 00 00, 1 L, sales unit 6 delivery **on stock in november 2018**

### HEY SPORT Imprä FF Wash-In 250 ml

#### new fluorine-free waterproofing

Protects functional textiles without loss of performance against moisture

HEY SPORT Imprä FF Wash-In - the fluorine-free and biodegradable waterproofing alternative for high-quality outdoor and functional textiles. Waterproofs high-tech fibers optimally and maintains the functions of membrane clothing and, at the same time, its breathability without loss of performance in wet weather protection. For flushing, place in the fabric softening compartment of the washing machine, then activate the waterproofing protection in the dryer by applying heat.

The very good waterproofing effect was confirmed in the test by the independent institute Weber & Leucht.

The application in the washing machine is simple, time-saving, efficient - environmentally friendly (100% free of PFOS and PFOA) and sustainable.

### Effol Insect-Attack + Citrus 500ml

**Highest concentration of active substance – maximum intensive protection**

Insect-Attack + Citrus offers the highest concentration of the tested and well-tolerated active substance icaridine and ensures 100% protection against braking, mosquitoes, stinging flies and ticks for up to 8 hours – even with heavily sweating horses. It is especially skin friendly and prevents summer eczema. The effectiveness of the highly concentrated formula with pleasant citrus fragrance was tested in the record summer of 2018 on horseback.

on stock in march 2019

### Effol Friend-Snacks Pumpkin Sticks

The popular Effol Friend-Snacks-Line will be expanded by another variety at the beginning of the autumn: The flavor "Pumpkin-Sticks" with high-quality pumpkin seed oil is not only delicious, but also contains the valuable polyunsaturated fatty acids (Omega 3 and 6) in addition to vitamin E and linoleic acid ) that the horse's body cannot make on its own.

Good friends deserve a reward. At best one that they not only find tasty but that also benefits them. Effol® Friend-Snacks with the taste of pumpkin seed oil are made from healthy grains with lots of fiber, vitamins and minerals. The best way to reward the four-legged friend.
